Led by Narayanan Rajagopalan – 20+ Years of Design Excellence Across Industrial, Interior, Retail & Experiential Design

The Vision Behind Design Integral

Founded on Design Excellence

Design Integral is led by **Narayanan Rajagopalan**, bringing over two decades of proven expertise in Industrial, Interior, Retail, and Experiential Design. Our journey is built on a foundation of innovation, precision, and client success.

Our **mission** is clear: To deliver seamless, innovative, and holistic design solutions under one roof, empowering clients with design thinking-led strategies and end-to-end project execution from initial concept through to final completion.

We believe in transforming spaces and brands through integrated design excellence, ensuring consistency, efficiency, and exceptional outcomes at every touchpoint.

Market Opportunity: Integrated Design Demand in India

Urban Growth

Rapid urbanisation and retail expansion are driving unprecedented demand for cohesive, well-integrated design solutions across India's major cities.

Turnkey Preference

Clients increasingly prefer streamlined turnkey projects to reduce vendor complexity, minimise coordination challenges, and ensure project success.

Real Estate Boom

Growing commercial and residential sectors need customised interiors and professional fit-outs that reflect brand identity and user aspirations.

Brand Differentiation

Visual communications have emerged as critical tools for brand differentiation, creating memorable experiences that connect with audiences.

The Indian design market is experiencing transformational growth, creating significant opportunities for integrated service providers who can deliver comprehensive solutions.

Our Core Services Portfolio

Design Integral offers a comprehensive suite of design services, providing clients with seamless, end-to-end solutions that ensure consistency, quality, and innovation across every project dimension.

Visual Communications

Brand identity development, wayfinding signage systems, experiential graphics, and environmental branding that tells your story.

Retail Design

Innovative store concepts, strategic customer journey mapping, merchandising design, and immersive retail environments that drive sales.

Commercial Interiors

Inspiring offices, collaborative co-working spaces, and sophisticated hospitality environments designed for productivity and brand alignment.

Residential Interiors

Bespoke living spaces, luxury apartments, and elegant villas tailored to personal style, comfort, and functionality.

Fit-outs & Turnkey

Complete end-to-end project management, vendor coordination, quality control, and timely delivery for hassle-free execution.

Competitive Landscape & Our Differentiators

The Market Landscape

The Indian design industry is fragmented, with most competitors specialising in single verticals—either focusing solely on interiors, retail, or visual communications. Clients often struggle with managing multiple vendors, inconsistent quality, and coordination challenges.

Design Integral's Competitive Edge

Holistic Service Offering

Comprehensive solutions spanning visual communications, retail, commercial and residential interiors, plus turnkey delivery—all under one roof.

Design Thinking Leadership

Human-centred design methodology backed by 20+ years of proven expertise across diverse sectors and project types.

Transparent & Flexible

Clear pricing models and flexible engagement options tailored to client needs, project scope, and budget parameters.

Proven Track Record

Diverse portfolio spanning Industrial, Retail, Experiential, and Interior Design projects with measurable client success.

Growth Roadmap & Milestones

Our strategic growth plan positions Design Integral for sustainable expansion, market leadership, and long-term client relationships built on excellence and innovation.

1 Year 1: Foundation

Establish strong brand presence, secure 5 flagship projects across sectors, build strategic alliances with key partners, and develop comprehensive digital portfolio.

2 Year 2: Expansion

Expand core team with specialists, enhance digital marketing presence, launch client referral programme, and increase project capacity significantly.

3 Year 3: Scaling

Scale operations to pan-India presence, introduce technology-enabled design tools and virtual collaboration platforms, and establish regional offices.

4 Long-term Vision

Position Design Integral as India's premier integrated design consultancy, recognised for innovation, quality, and client success across all major sectors.
